

From the Principal's Desk...

On Friday all students will be involved in planting seeds and seedlings for our vegetable gardens. If you have seedlings at home that you would like to give to the school to plant, please send them in on Friday morning. I would like to thank the P&C for their help in organising this initiative. Students do NOT need to wear school uniform on Friday. A gold coin donation towards the SRC would be greatly appreciated.

Thank you to everyone for bringing in so many Coles Sports Vouchers. Upper Division counted them this week and we have 8929 tickets. Many people have brought in more throughout the week and we will add these to the total as well. If you have any vouchers at home, could you please bring them in by tomorrow as we need to take them to Coles by Monday. Thanks again for your support!

Please find attached to today's newsletter the results from our annual school culture survey. As you can see from the responses, our community is very happy with our school and our programs. These results will be published in the 2010 Annual School Report.

Finally, as discussed at the P&C meeting last Monday, our school will trial the new Department of Education report format this semester. They will still contain detailed information about your children's progress however they will be saved online using a secure NSW Department of Education system to assist us in tracking achievement through each child's school year.

Have a great week!
Brad Hunt

8929

At the Armidale Community of Schools Meeting last week our school signed off on a National Partnership agreement between the NSW Department of Education and the AECG. The agreement focuses on acknowledging Aboriginal culture, heritage and values. Mrs Lesley Widders from the AECG assisted us in signing our school's agreement.
