

From the Principal's Desk...

I would like to thank the wonderful students in Upper Division. Last Thursday, every student demonstrated fantastic behaviour at our overnight camp. They were polite, courteous to each other, and they understood the situation when we had to sleep in the classroom (instead of our tents) when stormy weather came. We are so lucky to have such wonderful students at our school. I also would like to thank Mrs Piddington, Mrs Smith, our P&C and parents for helping to make the overnight camp such a success. I would also like to acknowledge our students in Lower Division for their wonderful behaviour during the two days. Unfortunately, due to the wet weather, many activities had to be changed. Our students were happy to go along with whatever we decided to do. We really do have a great school!

This Friday will see our last weekly assembly for 2011, and the last of our student speeches. We will commence our assembly at 2.30pm. We will not hold an assembly next week as we will be preparing for Presentation Night. If students have ten ribbons at home, they will need to be brought into the school by Monday so we can order Principal's Awards for Presentation Night.

This Friday, I will be in Brisbane with Katie and the girls. Annie and Millie have an appointment. Students will not be able to be at school until 8.30am on Friday morning as a teacher will not be at school until then. I apologise for any inconvenience this may cause.

As mentioned in previous newsletters, the P&C have decided to purchase sunglasses for all students at our school as part of National Sunnies Day. If you have purchased some for your children, you may get a refund if you wish, as the P&C are paying for them. Alternatively, if you decide not to get a refund, your money will be forwarded on to the QLD Eye Institute.

Finally, our last newsletter for 2011 will be sent out next week. If you have any items or community events you would like published, please let us know by Monday. We are more than happy to publicise local events.

Brad Hunt
