What is happening at our School?

What a settled week we have had! Transition had a wonderful last day and are really enjoying their time at Kelly's Plains. They will return on the 10th December, for a whole day. We can't wait.

Next week our senior students go to Lake Ainsworth from Tuesday to Friday. Thank you to those who are transporting students. We will meet at the Armidale Tourist Information Centre at 6:30am to leave at 7:00am.

The students in the Junior classroom have been working hard on their Pirate Theme. Next week they will be heading out of the school for an exciting afternoon at Kids World. More information to come.

The Junior students and those staying at school can bring their bikes to school from Tuesday to Friday. They **MUST** have a helmet. (No Roller Blades Allowed). We will practice road safety and bike safety.

Students had 2 great games of touch last Thursday and are learning new skills each week. Kelly's Plains sportsmanship is to be commended.

This Friday Mrs Pankhurst will be taking the Year 5 students to Science in the Bush. What a great opportunity for our school.

Thank you for supporting our book fair. It was another successful fundraiser for our school.

Please ensure you send a **school hat** along with your children. We will enforce the NO HAT NO PLAY policy.

6 days to go till Lake Ainsworth
