What is happening at our School?

What a fantastic week the Senior students had last week. The accommodation, food and activities were fantastic. The excursion to Lake Ainsworth was exciting, challenging and enjoyed by all students. It was great feedback from the Lake Ainsworth staff where they congratulated our students for their excellent listening, participation and exceptional manner.

The Junior students excursion was also a fantastic day. They had a great time at the New England Regional Art Museum where they completed some Pirate activities.

Presentation day is creeping up very quickly. This is a great day to celebrate the success of all students at Kelly's Plains Public School. The day will commence at 9.45am and will be followed by morning tea in the Library. The Student Leaders will also be announced on the day.

We have also had a visit from Michelle Bannister-Tyrall. Michelle will be liaising between the UNE and Kelly's Plains Public School in establishing and supplementing our Gifted & Talented Program.

Clear your calendars for the night time performance of Pirates vs Mermaids. This will be taking place on Tuesday 8 December starting at 5.30pm. This will be followed by a family and visitor BBQ.

Please ensure you send a **school hat** along with your children. We will enforce the NO HAT NO PLAY policy.

Sport and Recreation's Swim and Survive lessons

Australian summers usually involve plenty of fun in and around the water, but no parent should forget how important it is to make sure children stay safe.

Sport and Recreation's Swim and Survive classes for preschoolers and school-aged children help youngsters learn important ways to be safe and enjoy our pools, rivers, beaches and lakes.

The intensive nine-day programs provide wonderful results, and are great fun as well. Plus, family discounts make our program affordable for all the children in the family.

Sport and Recreation runs Swim and Survive classes in pools throughout regional NSW.

Our instructors are nationally qualified and screened for their suitability to work with children.

Prices for nine lessons are \$69 for school-aged children and \$49 for preschoolers (prices exclude pool entry fee).

For more information or to make a booking, visit sportandrecreation.nsw.gov.au/swimandsurvive or phone 13 13 02

Give the gift
of music to
your child this
Christmas.

Not sure what to get your child this year?
Do their grandparents need a gift idea?

The gift of learning an instrument will be far more memorable than the latest toy or outfit. It is a gift that keeps on giving – memories, skills and friendships that last a lifetime.
