# What is happening at our School?

What a brilliant time we had at the Great Aussie Bush Camp. The students have been busy writing recounts which will be brought home in the next few weeks. The highlights were—Lily conquering her fear of heights, Eliza's keen participation in everything, Indy's resilience and the maturity of all our year 6 students, especially Riley. The learning of new songs led to the loss of voices, which made for a quiet trip home. As always, the behaviour and teamwork shown by all our students was to be commended. The camp leaders had a teary goodbye, congratulations again Years 3-6. Yesterday we enjoyed the NECOM Trio and sang along with the music. There were some brilliant answers to the questions and our students showed their best Kelly's Plains manners.

We are busy preparing for the Presentation Day next Thursday commencing at 10am. Students must be in full school uniform with black shoes. Parents are asked to bring a slice for morning tea and put it in the freezer at school or bring on the day. This is a very special day for our school community, we hope you can make it.

This Friday we will be hearing the Captains Speeches for 2017. The Assembly will begin at 3pm. We hope you can make it to watch Caleb, Ryan and Tom present their speeches.

Next Monday Year 6 need to be in Full School Uniform for the Armidale Express Year 6 photo. We know you will look fantastic.

Uniform surveys need to be back by Monday. A P&C meeting will be held at the Armidale Bowling Club on Monday 5th December at 7pm.

Making Oobleck in science. Calan demonstrated how using only two ingredients you can make a substance that has properties of both a liquid and a solid. You can slowly dip your hand into it like a liquid, but if you squeeze the oobleck or punch it, it will feel solid.
