What is happening at our School?

Welcome to the second last week of school. This week in German the students made gingerbread men and learnt about Weihuachls Market and St Nikolaus. Thank you Martina for this interesting, yummy and educational experience.

Our Kelly's Plains Presentation Day is tomorrow. This is a very special day for all our school community where we celebrate our fantastic achievements throughout the year. Please ensure that your children wear their full school uniform, including black shoes.

If you could bake or buy something tasty to share it would be appreciated.

Congratulations to Tom, Ryan and Caleb on their well planned and executed Captain speeches. We are very proud of you and we know that you each will make excellent leaders and representatives for our school.

Santa will be arriving at school this Friday at 9am! Please have your children here before 9am as Santa will be handing out our 'Secret Santa' presents in the Library.

Next Monday Kitty from the Armidale RSPCA will visit our school and Daniel will present her with all the fundraising money and pet food that our students have so generously donated to help the animals in RSPCA's care over the holidays.

Next Monday night the year 6 dinner will be held at the Armidale Bowling Club at 6pm.

Our last assembly for 2016 will be next Thursday and Principals Awards will be presented to students who have earned them.

We will be holding our annual Kelly's Plains Christmas party next Thursday 15th December followed by a disco.

Just a reminder that all Parents and Visitors to the school entering the grounds or classrooms need to first sign in at the office.

For all creatures great and small.

The Junior class are collecting donations of pet food for the RSPCA as part of their caring for our community. Donations can be left at the office. Kitty from the RSPCA will be attending our morning outdoor assembly on the 12th December at 9am to collect all donations.

The Senior class are collecting cash donations which will also be presented to Kitty on the same day.

I wonder who is responsible for this original artwork featuring two of our students (who had matching injuries and lunches this week).
