What is happening at our school?

Welcome

A huge welcome back to Term 4. The staff hope that you have had a restful holiday. This term will continue to be busy in the classroom and with extra-curricular activities culminating in our end of year activities. We will be letting you know about these events with our Newsletters, notes and School Stream App. If you are unsure, please contact the school and we will be able to supply the information.

School Readiness Program for 2018 Kindergarten

Next week our students will be back at school for our KPPS' Got Talent Show with our Grandparents and Special Friends morning tea. We hope that they will enjoy the morning.

Fruit Days - On Tuesdays and Fridays, fruit for Crunch & Sip will be provided for the remainder of the year. Thankyou to our parents who continue to prepare our yummy spread of fruit each week. We appreciate it!

Trivia Night

It's that time of the year where we need people to donate prizes and ask anyone you know with a business if they would like to help support our P&C. As this is one of our major fundraisers it would be great to have some wonderful prizes or donations for our raffle.

End of Term Assembly

Last Term it was great to see so many students be recognised for their wonderful work behaviour and attitude towards school. These students show confidence, persistence and resilience in all that they do. We are very proud of your efforts and achievements!

Book Fair-Talent Quest-Grandparents and Special Friends Morning Tea

Next Friday we will be holding the Annual Kelly's Plains' Got Talent Show with our Grandparents and Special Friends. On this day we will also be holding our second Book Fair for the year. This is a great opportunity to buy quality literature and also enable the school library to update some of its books as well. Books can be viewed during the week but we would ask you to purchase the books on the Friday.

Senior Excursion

Just a reminder that our Senior Class Excursion to Great Aussie Bush-Camps is coming up very soon. Payments will need to be finalised over the coming weeks. If you need financial assistance please come in and see me.

Student Absences

This is the time of the year when illness takes hold of students. We ask that students be kept home from school **only when there is an absolute need**, such as when suffering from the gastro bug, a bad case of influenza or other contagious illnesses such as conjunctivitis, and school sores. We sincerely appreciate your cooperation.

NSWPSSA Athletics Championships

We wish Caleb the best of luck next week as he will be competing in the 1500meters and 800meters events in the State Athletics Championships at Homebush. We know you will do your best and your sportsmanship will be commendable.

P&C Meeting

Our P&C meeting is on next Thursday at the Bowling Club commencing at 7:00pm. We encourage all parents to attend and contribute to aspects of school life.

LMBR

With the transition to our new finance and student administration package, there may be a short delay in some services. We would like to request your patience and understanding in these initial weeks.
