What is happening at our school?

Kelly's Plains' Got Talent & Grandparents Day

Last Friday was a wonderful day shared with our Grandparents and Special Friends. The number of special loved ones who came to our school is testament to our small school values and supportive community of which we are extremely grateful. It was lovely to hear such positive and appreciative feedback from our parents, grandparents and special friends. The staff wish to say a BIG thank you to our students who showed confidence to speak/perform in front of a large crowd. We are so very proud of you!

Book Fair

Continuing on with our celebrations last Friday, we enjoyed a Book Fair. Our school community raised \$834 in one day! A phenomenal effort that has resulted in our school library receiving a substantial number of new books. Thankyou for your continued support.

Senior Excursion

Just a reminder that our Senior Class excursion to Great Aussie Bush-Camp takes place **next week from Monday morning**. All relevant notes and information have been given to Senior students. Payments will need to be finalised. If you require financial assistance please come in and see Mr Watson.

Trivia Night

It's that time of the year where we will need people to donate prizes and ask anyone you know with a business if they would like to help support our P&C. As this is one of our major fundraisers it would be great to have some wonderful prizes or donations for our raffle. Thankyou to our families who have already left some donations.

The Lion King Production

Our Lion King play will be taking place in the last week of this term. Mr Hunt from Martin's Gully Public School has kindly allowed our students, staff and families to have access to the school hall for the entire week. This will allow us to have rehearsals, a matinee and our final performance indoors. We sincerely thank Mr Hunt for his generosity! Our students have begun to be fitted for costumes and our stage props, music and set will be a focus for the next few weeks. We will give you definite dates as the schedule is finalised.

Clearing Sale Catering

Our school P&C has been asked to cater for a large scale (approximately 1500 people) clearing sale in early to mid December. This will potentially be a profitable fundraiser for our school. We require as many parents as possible to assist on the day and also with making cakes and slices for the event. When the property owners finalise the date, we will put out a roster for staff and interested parents/grandparents to work shifts. Thankyou in advance!

Student Absences

This is the time of the year when illness takes hold of students. We ask that students be kept home from school **only when there is an absolute need**, such as when suffering from the gastro bug, a bad case of influenza or other contagious illnesses such as conjunctivitis, and school sores. We sincerely appreciate your cooperation.

NSWPSSA Athletics Championships

Congratulations to Caleb who competed in the 1500m and 800m races at the State Athletics Championships at Homebush last week. We know you put in your best effort and are to be commended for this.

LMBR

With the transition to our new finance and student administration package, there may be a short delay in some services. We would like to request your patience and understanding in these initial weeks.

Mrs Lauren Cotter
