What is happening at our school?

Trivia Night

Our P&C Trivia Night was held on **Tuesday 21 November** at the Grand Hotel. Thanks goes out to people who donated prizes to support our P&C. Thankyou to Lisa Johnson and our parent volunteers who took charge of the Trivia Night organisation. It was an enjoyable night!

The Lion King Production

As we draw closer to our performances, we need to organise someone to record the night performance. Please let us know if you know someone able to do this. The dates have been finalised and are as follows;

Matinee performance for Martin's Gully K-2 students: Tuesday 12 December at 12:00pm - 1:30pm

Night performance for Kelly's Plains families: Wednesday 13 December, 6:00pm - 7:30pm

Clearing Sale Catering

Our school P&C has been asked to cater for a 500 person clearing sale on **Saturday 9 December**. This will be a profitable fundraiser for our school. We require as many parents as possible to assist on the day and also with making cakes and slices for the event. Please see attached information sheet and return the completed slip to school as soon as possible.

Gardening/Working Bee

On **Friday 24 November** there will be an afternoon working bee at school from 3:30-5:30pm. We will finish on the morning of **Saturday 25 November** from 9:30-11:30am. The vegetable gardens, garden bed preparation and mulching will be the focus.

Presentation Day

Our 2017 Presentation Day will take place on **Thursday 7 December** commencing at 9:30am in the school COLA. Please join us afterwards for morning tea.

Semester 2 Reports

Staff have been busy writing school reports. These reports will be sent home on Friday 8 December. As parent interviews have already taken place this year, there will be no set interviews. Please see either Mr Watson or myself if you would like to discuss your child's progress or report.

Secret Santa

Each student and staff member has been given a name for our Secret Santa Christmas event. We ask that gifts be purchased for your person and that the gift is no more than \$5 value. Gifts need to be wrapped with the name of the student who the gift is for clearly visible on the outside. Gifts need to be left at the school office no later than **Wednesday 6 December** and will be handed out when Santa arrives at our school on Friday 8 December. Shhh....don't tell anyone who you have a gift for. It's a secret surprise!

Outdoor Learning Space

I am thrilled to announce that an outdoor learning area is to be constructed off the Lowies classroom. This will allow an extension of the learning space for Lower Division. This will also allow for student autonomy in choosing a learning environment for the set activities on offer. We will require lengths of steel posts and bags of concrete to build the support structure for our UV protected shade sail. Please let myself or Mr Watson know if you have access to or can source materials with small school affordability in mind, that we can use for this exciting and innovative learning space. Thanks in advance for any contributions you can make or assist with. A huge thanks to Ben Edwards who has once again volunteered his expertise in taking on this building project for our students. We are very grateful. This structure will be constructed and ready for day one of Term 1 next year.

Uniform Order Form

Thanks to Jayne Croft for organising the uniform order form. **Orders due back by Thursday 7 December.**

Mrs Lauren Cotter

Lowies Super Sizzling Starts

BOOM!

The volcano exploded onto the cave. The cave fell to pieces and Skyosaurus was trapped inside the cave like a dog in a cage...

Finn

Boom! Crack! Boom! Boom!

The cave crumbled like a cookie in my mouth. The dinosaur was crying because she was all alone, she was an orphan...

Kellie

Clatter! Rocks fell from the sky onto dinosaurs and pushing down trees. The volcano rumbled and roared. It was raining rocks! Magical ashes flew out of the trees like a rocket flying through space. It was fast, like a flash. The other dinosaurs ran and jumped in a stampede. It was so big, bigger than 20 elephants stuck together in a line...

Eilish

SMASH!

The rock exploded like a volcano in space. Tomosaurus darted away from the rocks like a rocket in the sky...

Thomas

BOOM! went the water through the cave, trapping every dinosaur in its path. It was like a monster in the dark...

Ava

Senior Camp

So much fun!

"SHARING LEARNING CARING"

Dear Parents and Carers

On Saturday 9 December our school community will be catering for a clearing sale on Dangarsleigh Rd with approximately 500 people in attendance.

This is a major fundraiser for our school and we need all of our families to assist with food preparation and also with selling food and drinks on the day.

We require lots of baked sweets such as cakes, slices and muffins and ask that our families contribute these items on the day prior to the clearing sale.

Please note that a roster for volunteers will be put together over the coming days. Shifts of 1 or 2 hourly intervals will be organised.

We appreciate your support and assistance in advance as this is an enormous team effort required by all of our community.

Please complete the slip below and return to the school by Friday 1 December.

Kind regards,

Lauren Cotter

Family Name: _____

I am able to contribute baked goods (home baked or shop bought)

YES _____ NO _____

I can donate multi-pack cans of soft drink or multi-packs of bottled water

YES _____ NO _____

I can be rostered on to work a shift during the day
