

# "THE PLAINS EXPRESS"

SHARING ❖ LEARNING ❖ CARING

Term 2 Week 5 27th May 2020

A member of the Armidale  
Community of Schools

## From the Principal's Desk

Welcome back to all students for full face to face teaching. As you would be aware all schools were able to return to full face to face teaching this week. Thank you to all parents for following the best advice which is if your child is sick you must keep them at home. I am still waiting for the word that we can resume normal pick up and drop off and look forward to this adjustment coming to fruition.

### STEMSHARE Day

The school has been fortunate enough to have on loan a tablet robotics kit through the NSW Department of Education Science, Technology and Mathematics focus. Students have programmed and driven Dash and Dot Bots, Lego We-Do as well as some Blue Bot activities. Next Tuesday 2nd June we will welcome Ms Wood who will be leading some new and innovative ways to use these programmable pieces of technology.

## Upper Division

In the upper division we have been studying the Lorax book by Dr Suess and are looking to turn this into a performance when normality resumes. In reading we have focused on reading comprehension strategies including re-reading to infer answers.

## NEWSLETTER

This week we will only provide photos in hard copy and the newsletter will be e-mailed and posted on Skoolbag.

Dates for your Calendar:  
Lots of them this time around (Joking!)

Monday 8th June Queens Birthday  
Public Holiday. School resumes  
Tuesday 9th June.
